

INCLUSIVE GROWTH IN A DIGITAL ERA

OCT 17-20 2022

AGENDA

FINANCIAL INCLUSION
WEEK **2022**
powered by Center for Financial Inclusion

SESSIONS

MONDAY, 17TH OCTOBER 15:00 - 16:30

Challenges and opportunities of financial inclusion of the last mile in Mozambique

Link for registration:

https://us02web.zoom.us/webinar/register/WN_DEqVa2IYRgSUTmRMGFAtVA

This webinar will bring together various experiences to showcase how access to financial services can be expanded in the last mile using digital technology, by thinking first about their needs. These experiences will elucidate as well, the challenges and opportunities for inclusive growth in Mozambique.

TUESDAY, 18TH OCTOBER 15:00 - 16:30

Consumer Protection in the Digital Era: Good Practices in the Use of DFS

Link for registration:

https://us02web.zoom.us/webinar/register/WN_aLL9rDxT_WFheJeMSj1hw

This session's objective is to share best practices when using DFS and raise awareness among consumers to become more careful in their interaction with DFS and in case they face challenges where to get advice and where to find possible solutions.

WEDNESDAY, 19TH OCTOBER 12:00 - 13:00

Gender Financial Inclusion Policy in Africa - The Journey Ahead Organised by Accion

Link for registration:

<https://financialinclusionweek.org/2022-registration>

This is one of Africa Regional Plenary sessions and will share how FSDs supported the integration of gender into national financial inclusion strategies, what barriers needed to be overcome to achieve this and what the next steps are for ensuring that FSPs are able to provide sex-disaggregated data which can be used to improve product design for women clients meaningfully.

WEDNESDAY, 19TH OCTOBER 15:00 - 16:30

Financial Services to Respond to the Needs of Those Affected by Climate Risks: Innovative approaches to support climate risk mitigation and resilience

Link for registration:

https://us02web.zoom.us/webinar/register/WN_IR_OD6mMR6OIVXQemNHixw

This session will count with a guest speaker that will talk about the use of digital climate risk assessment tools to help to unlock climate finance flows. Discussions will be around supporting climate risk adaptation/mitigation and resilience.

THURSDAY, 20TH OCTOBER 15:00 - 16:00

Shades of Green - the many ways in which financial inclusion and climate change intersect Organised by Accion

Link for registration:

<https://financialinclusionweek.org/2022-registration>

This Global live session organized by Accion will discuss ways that low-income and vulnerable populations are impacted by climate change and will discuss examples of how financial services can help them respond. It will look to the future to identify how the inclusive finance sector needs to be thinking about green inclusive finance and what financial institutions need to do now to be able to support clients against the backdrop of diverse and growing climatic risks.
